Sir:

In response to the Notice of Allowance mailed on April 3, 2008, please consider the attached remarks, which begin on page 2 of this paper.

REMARKS

As a result of reviewing the Notice of Allowance and the accompanying Notice of Allowability, a discrepancy has been noted. In particular, numbered paragraph 2 of the Notice of Allowability states that "The allowed claim(s) is/are 1-8, 10-18, 20-25, 27-29, 31-39, 41-43 and 45-52."

However, claim 5 was canceled in Applicant's amendment filed on June 4, 2007. Therefore, Applicant believes that the claims that remain pending, and which have now been allowed, are 1-4, 6-8, 10-18, 20-25, 27-29, 31-39, 41-43 and 45-52. It is therefore requested that the Office issue a Supplemental Notice of Allowance, with a correct identification of the claims that will be present in the issued patent.

If the Office has any remaining questions or concerns about this matter, please call the undersigned attorney at 703.718.8884 to facilitate a speedy resolution.

Respectfully submitted,
Potomac Patent Group PLLC
